To view meeting documents please visit <https://tinyurl.com/4bdsdscw>. For questions, contact the board office at 203-401-2515 or by email at jslubowski@rwater.com.

SAFETY MOMENT

Pesticides and Food: Healthy, Sensible Food Practices

Because pesticides have many uses, we may be exposed to them in a variety of ways; through food, water, and air. You may reduce the amount of pesticides you consume by:

- Washing all fresh fruits and vegetables to remove bacteria and traces of chemicals
- Peeling fruits and vegetables to reduce dirt, bacteria, and pesticides
- Discarding outer leaves of leafy vegetables
- Trimming fat from meat and skin from poultry and fish
- Eating a variety of foods for a better mix of nutrients and to reduce likelihood of exposure to a single pesticide
- Buying organic and locally grown fruit and vegetables
- Growing your own produce
- Using non-toxic methods for controlling insects in the home and garden
