8. FINANCE

8.1 FY 2027 BUDGET SCHEDULE

Ms. Kowalski, the RWA's Senior Vice President, Chief Financial Officer & Head of Corporate Development, reviewed the proposed FY 2027 budget schedule with Authority members.

After discussion it was determined that the board administrator would work with the Authority and management to schedule a date to hold a special meeting to review the FY 2027 budget.

8.2 RATE APPLICATION SCHEDULE

Ms. Kowalski discussed the Rate Application schedule with the Authority members, mentioning that the rate application will incorporate Drinking Water State Revolving Funds (DWSRF) and that this will result in reducing the RWA bond issuance.

Committee members inquired about a cost of service study. Ms. Kowalski noted that the study would be completed and submitted simultaneously with the rate application. She also advised the Authority that a refinancing is expected in the near future.

Mr. Ricozzi requested that management provide a preliminary report on the anticipated rate adjustment for board review and feedback on the anticipated rate.

8.3 CONSIDER AND ACT ON DWSRF RESOLUTIONS

Ms. Kowalski requested approval for issuance of bonds for the following projects: 1) York Hill Painting & Stairs, 2) Lake Saltonstall Water Treatment Plant Gravity Thickener, and 3) Lake Whitney Chemical Feed.
