Ms. Reckdenwald provided an update on the status of COVID at the RWA.

Mr. Bingaman:

- Reported that acquisitions for an environmental service lab and well services company are advancing. The RWA's PipeSafe program is seeking partnerships with communities outside the RWA's service territory and the piloting of the WellSafe suite of products later this month.
- Advised the Authority that the RWA has filled the position of Vice President of Engineering and Environmental Services. The candidate is a professional engineer with 30 years of experience in managing complex construction projects and experience in water and wastewater projects. Mr. Bingaman acknowledged Mr. Norris and thanked him for his consultation services during the past year while the RWA was recruiting for the position.
- Stated that the application for electrical improvements at Lake Saltonstall is included in the Senate Appropriation Committee's draft spending bill.
- Commented on the status of the Water Infrastructure Finance and Innovation Act ("WIFIA") letter of intent ("LOI") for the Lake Whitney Dam and Spillway improvements. The LOI has advanced to the next round (i.e., invited to submit an application). He stated that WIFIA is a low-cost loan program.
- Reported that the FY 2021 annual report is in circulation and features a tribute page to former Authority member, Joe Cermola, for his 44 years of dedicated service to the board. He highlighted

that Joe was an original founding member of Authority board of the RWA. Mr. Bingaman stated that he and Mr. Borowy hand delivered a copy of the annual report to Mr. Cermola last week.

- Reported that voluntary employee meetings have resumed after a lapse due to COVID. He recently completed a series of 20 meetings to discuss organizational concerns.
- Highlighted a meeting that he and Ms. LaMarr attended yesterday with the Southern Connecticut State University Utility Management Advisory Council to discuss cybersecurity. The session was informative and he would encourage the panel members to attend an Audit-Risk Committee meeting for an extended discussion.

At 2:21 p.m., Mr. Oslander withdrew from the meeting and the Authority voted to go into executive session to discuss strategy and negotiations and personnel. Present in executive session were Authority members, Mss. Kowalski, Reckdenwald, Slubowski and Messrs. Bingaman, Courchaine, Norris, and Singh.
