

Animal Scavenger Hunt

Most of the time when you're walking through the woods, you won't see very many animals. However, you may see some evidence of the animal. Print out this sheet and take it with you on your next hike. In each box, draw a picture of whatever is asked for.

Tap Into Nature

Hole for an Animal	Animal Track
Seed Food for an Animal	Animal Droppings
Evidence of Plant Damage by Animals	Bird's Flight Pattern
Food for an Animal That Is Not a Seed	Evidence of an Insect
Animal Nest	Name an Animal and Draw its Habitat
