Meeting Transcription**

Charles

OK, Jennifer sent everybody the guidelines for the officers.

Charles

All of the officers and the chairman are in their first year. So we have the second year.

Charles

Does everybody want to continue in that position at this point in time?

Brian

I don't know. Did we hear back from anybody who wanted to change what they do or any new candidates?

Charles

Yeah, the only person that called me was Mark, and he said if there was an opening, he would be interested.

Charles

I have, I heard back from everybody else that they would be prepared to continue.

Stephen

What year is Mario in?

Charles

Mario is in that last year where he gets one more year than the rest of us.

Stephen

OK.

Charles

If everybody wants to continue what it what would be the committees feelings be about that, do they want to have any changes or are they happy with what's going on at this point in time?

Stephen

I'm not unhappy with anything, but shouldn't we just to make any, you know, the RPB aware or they still have any more time to respond if any other members or are interested?

Charles

Well, you're right. We've only given them a couple of days now. Jennifer sent out the notice asking if anybody was interested. Like I said, Mark did call me. He would be interested if there was an opening.

Charles

And we could give it another week.

Brian

First book to raise is if there wasn't opening.

Charles

Pardon me.

Charles

Yeah, Mark would be interested if there was an opening or consideration if we wanted to make a change.

Brian

Right.

Stephen

Charles did the current officer say they would do it or they were open to?

Charles

I didn't ask that specific question whether they were open to a change they.

Stephen

No.

Charles

Yeah, it would just basically came down to them continuing. Their understanding was they were in the first year of a three-year term.

Stephen

OK.

Jennifer Slubowski

Jay Jaser are contacted me and he's interested in continuing.

Charles

And I'd be interested in continuing.

Charles

Do you want us to give us another week? We could schedule another meeting for next week and give it another week and have Jennifer send out a second notice it you know, I'm open to that.

Stephen

OK.

Charles

We do have to report to the May meeting and we don't have enough time, right, Jennifer? Or, do you want me to simply say at the May meeting or is there anybody else? Is my understanding we have to report to the May meeting.

May 19, 2022

Charles
And nominations.

Jennifer Slubowski
No, not until June. You have until June.

Jennifer Slubowski
June 23rd.

Charles
OK. So just the appointment?

Jennifer Slubowski
To make your recommendation so you have plenty of time.

Charles
OK. So it's just the appointment of this committee that had to happen by May.

Jennifer Slubowski
Yeah, it didn't even. I mean, it didn't have to happen. Mario wanted it on the agenda, even just to say, you know, we have a meeting scheduled or we got the committee together. Just some update of the committee.

Charles
OK.

Charles
Well, yeah, the bylaws do say, though, that you know, the chairman shall appoint no later than May the members of the nominating committee, which he has done at this point in time, OK, and then the membership reports its recommended slate at the June meeting. So we do have time. Steve if you want to you know, I'll ask Jennifer to send out another notice.

Charles
And I will contact each existing officer specifically.

Charles
And get their intentions.

Charles
Does that make sense at this point?

Greg Malloy
That's good.

Greg Malloy
