Authority members reported on recent RPB committee meetings and assignments were made for attendance at the third quarter 2022 RPB committee meetings.

Ms. Verdisco, the RWA's Chief Human Resources Officer & Head of Corporate Services, provided an update on the status of COVID at the RWA.

Mr. Lakshminarayanan, the RWA's Vice President of Engineering and Environmental Services, provided an update of costs associated with the Derby Tank Project. He stated

that the Finance Committee received notification at its June meeting of an increase to the cost index of 16.4%, which drives the project cost up but remains less than the cost increase allowable, due to the inclusion of a cost index in the RPB application for the project, allowable under the RPB Rules of Practice. The RPB also received the information.

Mr. Bingaman, RWA's President and Chief Executive Officer reported:

- That as part of his monthly field visits he joined Mr. Hill, the RWA's Director of Operations, to observe a number of projects underway to improve the water system. These included visiting the Seymour wellfield, surveying the progress of a water service transfer in Milford, touring the West River Water Treatment Plant Dissolved Air Flootation project, viewing the progress of the installation of new Sodium Hypochlorite bulk tanks at the Lake Gaillard Water Treatment Plant and witnessing a repair of a water main break in Cheshire.
- The RWA is again partnering with WTNH-TV Channel 8 and WCTX-TV Channel 59 to air Water Wise Ways. They will be airing 10 15 second messages to customers to offer ways to reduce water use to ensure water supply needs, fire protection and the environment. The commercials will direct customers to the RWA website for additional ways to conserve water. Water Wise Ways is also part of the rain barrel sale, which took place earlier in the month.

At 4:17 p.m., Mss. Kowalski and Slubowski and Messrs. Donovan, Lakshminarayanan, Mongillo, and Singh withdrew from the meeting and on motion made by Mr. DiSalvo, seconded by Ms. LaMarr, and unanimously carried, the Authority voted to go into executive session to discuss personnel matters.
